

## Entry-level IP Phone with 1 Line

A classic IP phone for small business users, the SIP-T30P delivers a fashionable and user-friendly dialing experience. It has a generously large 132x64-pixel graphical LCD that guarantees an easier access to much more visual information at a glance. Dual 10/100 Mbps network ports with integrated PoE makes SIP-T30P an ideal choice for extended network use. The SIP-T30P offers support for single VoIP account and includes 5-way local conferencing. It includes EHS35 support for Yealink wireless headset plus adjustable multi-angle stand support and has been designed very specifically for efficient work.

## Key Features and Benefits

### Stronger Performance, More Possibilities

Equipped with powerful chip, the T3 series owns a stronger computing ability and more upgraded functions, which ensures a higher productivity and smoother office experience. Due to great performance, T3 series is capable to extend more services for different business demands.

### Superior HD Audio, Better Communication

The Yealink T3 series provides distraction-free communications with industry leading Smart Noise Filtering Technology, which delivers excellent sound quality without extraneous noises and allows fluent conversations.

### Classic Design, Practical Details

Designed by Yealink original team, T3 series inherits the design concept of Yealink IP phone family. The advanced design including modern appearances and ergonomic details enables easier and friendly operation experience to users.

### All in One Platform, Convenient Management

Proven reliability and integrations for Yealink Device Management Platform, installed the unified firmware, T3 series is simple to deploy and manage, which allows a significant reduction in the operation and maintenance cost.
